Thanks, Josh. The remarks are attached, you may just want to slim down by striking out last 2 paragraphs. I think you will only be allowed a minute.

Yeah, I'll do it. If you could just type out what you want me to say beforehand, that would be helpful. Thanks.

Hey Josh,

I'm really sorry to have to ask you this, but would you be able to make public comment at the 3/30 10AM city council meeting? I can type it out in advance for you if that helps. Jessica said you can skip the meeting you had scheduled with her during that time to attend this. She asked me to ask you to be there. I unfortunately have a drs appointment that I really can't reschedule and the 56.11 item was just scheduled. Sorry :(

Best,
LH

Hi Jessica,

I have a drs appointment schedule for Wednesday ayr 9:30AM, but near downtown and should be wrapping by up 10:30A. Since this is within a bigger city council agenda I may still have time to speak.

Thank you for your efforts last week to get this item approved. As you know we were successful at the Homelessness & Poverty Committee and the item was scheduled for City Council last Friday. The item was continued at City Council until March 29 due to a technical matter. It was noticed on the agenda incorrectly and has to be reposted due to the Brown Act.

If you are able to show your support again please mark your calendars for this Wednesday, March 30 at 10am.

Thanks again, Marie
